

GROWERS GATE

SOUTH AUSTRALIA
MOSCATO 2017

BACKGROUND INFORMATION

Growers Gate is owned by grape growers. We respect our land and celebrate the wine it produces. It takes years of hard work and careful nurturing of our vineyards to produce the best grapes and it is with great pride that we bring the fruits of our work direct to you. Grapes for Growers Gate have been specially selected and represent the best of our region.

TASTING NOTES

Our Moscato combines lifted floral and orange blossom aromas, with a lively palate of rose water, fruit sweetness, good acidity and a touch of spritz.
